

Snohomish

June 4, 2013

We all enjoyed the nice sunny day, one of our first for a long time. Even our trips to Eastern Washington were not as nice as today. Good bird sightings included a Red-Breasted Sapsucker, an American Bittern and a Bullock's Oriole and a good size flock of Crossbills.

62 species (approx. qty.)

Attendees: Virginia, Margaret B, Rex, Art, Carlos, Merilee, Joe, Kathleen, John, Reg, Carolyn, Judy, Eileen and Wilma
