

Snoqualmie Valley

January 21, 2020

Birds of the day included seeing over 800 Cackling Geese fly into the field in the Valley. We also enjoyed watching song sparrow practically walking on water getting bugs from the grass in the water and off of the mossy branch stems.

49 species (approx. qty.)

Attendees: Jim, Virginia, Wilma, Ken, Sue, Pete, Art, Carlos, Val and Phil
