

Everett & Marysville

December 21, 2021

American White Pelican, Eared Grebe, Sora, 250 Canvasbacks, Rough-legged Hawk! And, no rain! What more could you ask for during a local tour of North Everett and Marysville birding spots. Well, we also had a Herring Gull, two Iceland Gulls (Thayer's), Red-breasted Mergansers and two Virginia Rails during our visit to Everett waterfront sites, the Everett Sewage Lagoons, Jennings Park and Harborview Park. Indeed, it was an excellent day of birding.

58 Species (Approx. Qty.)
